

HAPPY NEW YEAR.

2018 – Prophetic Messages for TOD *plus*

7th January 2018

Pastor Matthias Akhidenso

1.

Again I say, I will perform a miracle in this Church that will surprise you. There will be healing that will surprise even the doctors.

2.

There will be open reward for faithfulness. Every eye will see it. Great victories to celebrate.
Church – focus on worship & prayers

3.

Pray that your mission here is not derailed.
At least 2 more changes will still happen in the
Mission but I will restore you.
My intervention will begin soon and I will expose
your adversities

4.

A marriage and a baby will bring great Joy that has long been awaited.

5.

I will restore you. What you lost a long time ago will come back. Prepare your hands for work and your barn for increase.

This year will bring you increase even in the face of many adversaries – They will not succeed.

The Church will benefit.

6.

The Church will no longer be a spectator this year.
It will receive more focus in NL/Europe.

7.

Again my beloved, Pray against sudden job loss or sudden relocation that will not bring you joy. Also pray that nothing distrupts the school year.

8.

More shock will still come to Europe and more shock will still happen in Europe. Pray that you and the Netherlands are spared.
