2019

1.

There will be a number of double blessings.
Someone will ask for one job but will get two.

2.

The lost glory of many will be restored.

There will be repair, reconciliation, recovery and celebration for many and for TOD.

3.

Violence and bloodshed will increase around you but if you call upon the name of the Lord, you will be saved.

4.

Cleaning and cleansing across RCCG. The Lord will set a new pace of growth. NL will be affected.

5.

I will reward you and your Children openly for righteousness and faithfulness in my work. Keep your hands on the plow.

6.

I will complete what I began a long time ago.
Surprise baby and marriage are under way.

7.

The Lord says it is a good year to start with Him.
You will make great progress.

8.

BREXIT: The major fears of stone walling will not happen. Things will be resolved without major issues.

Pray against the ME showing up in Europe with a trail of blood.
