Dearly Beloved of God,

COVID-19 : Interim Sunday Worship Service Response Plan.

Grace and peace of God be with you continually in Jesus name.

With the heightened awareness and public concerns regarding the spread of the COVID-19 in the Netherlands and the rest of the world, we want to assure you that your health and wellness is of the highest importance to us at the Tabernacle Of David where “everybody is somebody”.

We like to make a few things clear regarding our Position in Tabernacle Of David (TOD)

- ✓ At TOD, we are very intentional about providing clean and safe environment for people to worship God hence the Sanctuary Cleaners’ team is in place since inception and functional.
- ✓ Comprehensive cleaning & disinfecting of the Church. Offices and all restrooms in our facilities is something we do throughout all weekend services
- ✓ We also believe in the efficacy of prayers and the ALMIGHTY nature of our God and in His ability to heal us, heal our land as well as shield us from prevailing diseases when we pray as stated in 2 Chronicles 7: 14, Matt 19:26, Ps 91: 1-11, Ex 15:26 and many other verse in the Scriptures
- ✓ We respect and uphold the law as long as it is not against the word of God or the Glory of God.

Following the government directive through the Rijksoverheid (dated 12/03/2020) on country responses to the COVID-19 in the Netherlands, we are putting the following interim measure in place for our Services until March 31st. Resultantly, Sunday 22nd and 29th March will be impacted. However, these guidelines will be reviewed as more information become available.

1. For the Sunday Services, the Church will remain open. However, we expect only the following categories of people: all the ordained ministers, any one listed to carry out any activity on Sundays, the worship team (choir + instrumentalists) and the audio-visual team for live streaming. This will allow us to control the numbers to well below 40 persons.
2. We encourage members to log into the Church Service on Sunday morning online starting at 11.00am using our online platform on www.rccgtod.org YouTube and on Facebook . Our webpage will have a link to the full version of this note and to the Dutch news which will be updated regularly.
3. However, if you chose to come to Church on Sunday, you will be allowed but we will restrict admittance to the government stipulated numbers of 100 people.
4. The Church fellowship for Fridays will continue to hold as planned because the numbers are well below 100 which is the threshold specified in the government response plan.
5. The vulnerable categories are the elderly 65+yrs and people with known Heart & Lung conditions & reduced resistance according to the government publication. However, as additional precaution parents should sit with their children should they choose to come.

We encourage you to wash your hands frequently, keep surfaces clean, refrain from social contacts (hugging, handshakes, kissing etc) and take all necessary precautions as already advised by the ministry of health and mentioned during the last Sunday Service.

We also encourage you to demonstrate your faith in God now more than ever before by praying without ceasing for the stoppage of the spread of this virus across the whole world – Jeremiah 33:3 ***“Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not”***.

Finally, we want to advice that we must not fear or panic as fear is the opposite of faith. Ex 14: 13 says ***“Fear ye not, stand still, and see the salvation of the LORD, which he will shew to you today”***. The God whom we serve and has kept us from COVID-19 till today is able to keep us and deliver us. This plague will go away as suddenly as it came.

Kind Regards,

Matthias Akhideno,
Your Pastor & Friend
